CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Hafalong Government College is affiliated to Assam University and to follow the prescribed syllabus of its parent university is a mandate. Syllabus of every subject is divided into several units in general which is taught according to the approved time table within the stipulated framework. Since the delivery of designated syllabus is an important component of teaching-learning progression, the focus on the delivery of syllabus in time is of utmost important for us. Well timed execution of teaching plan is always kept in mind. A detail plan for each unit and topic is designed and thought-out by each of the teacher to whom the units of the courses are allotted. Since practical paper is common with the subjects of Science, extra attention is required while completing the syllabus of these papers within time limit. Such split of syllabus at micro level teaching helps maintain completion of syllabus and academic progression in desired timeframe. As per the guidelines of the university, internal assessment is done by taking two unit tests of every course in each semester. The college infrastructure and facilities are continuously being upgraded to suit the needs of changing curriculum and pedagogy. Recently we have started use of ICT in teaching also with the help of computers, smart board, projector etc. to deliver the Curriculum effectively. Smart-class rooms are also made effective by the teachers of the various departments to provide the students with the audio-visual approach of the topics/texts so that they can have a better understanding of the concerned topics and also make it interesting, thereby avoiding the boredom of the traditional class-room teaching. The college has

well-equipped laboratories and classrooms with projection facilities for both faculty and students. To ensure learning outcomes of each subject, continuous evaluation and internal assessment is carried out through presentations, assignments/projects, class tests and group discussions. Choice Based Credit System (CBCS) has been introduced in TDC from the session 2018-19. Under CBCS, each practical class is assessed to monitor the learning process of students. Moreover, tutorials are an essential part of the theory courses of CBCS, where teachers meet the students weekly for providing additional guidance. Besides, college has a Mentoring Programme which enables the students to provide also feedback to teachers on curricular issues. The committee also counsels about the various options related to offered subjects and careers. Apart from this, most of the departments have taken the initiatives to conduct seminars for each semester as per the framed syllabus of each department by the university and active interaction is ensured between the teachers and students so that the students develop research skill by identifying topics and thus prepare a problem for fruitful analysis. Assignments are given to the students so that the students will become active learners and imbibe writing skills. The Faculty members are advised to attend orientation, refresher and short term courses to update the knowledge.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Institution is affiliated to Assam University and hence the systems mandated by the University are to be strictly followed by it. Choice Based Credit System has been introduced by Assam University at the UG level from the current Academic year 2018-19. University introduced systems for both Continuous Internal Evaluation and End Semester Evaluation. In tune with the reforms made by the university, the internal evaluation system in UG Programs of the college has been revised from the session 2018-19. At the beginning of the session students are apprised of the newly introduced Continuous Assessment system. The entire internal evaluation process involves class room evaluation, internal tests and assignments or projects. All the core and elective courses conducted under the programme contains 30 percent of marks in internal evaluation while 70 percent of marks allotted to external end semester examination. Cumulative Grade Point Average is reflected in the final grade sheet at the successful completion of course by the candidate. After the conduct of internal examinations the answer scripts are evaluated within the stipulated time and the scheme of evaluation is made transparent to the students. Evaluated scripts are shown to the students so that they may raise any of their grievances if they have. The faculty addresses the rightful grievances of the learners pertaining to the marks obtained in the internal examination. Provision is also made of one additional internal examination for those students who are not able to appear in the earlier examination due to some genuine problems.

awareness among the boarders and health check up of the girls of the hostel. 4.

The Practice : Around 11 am doctor came along with a nurse. Immediately the programme started with a welcome speech by Mrs. Madhumita Daulagupu, Convener of the Women's Cell of the College. Here she stated the reason for organizing a camp in the Girl's Hostel. Followed by a speech from IQAC Coordinator of Haflong Govt. College Mrs. Bharati Thaosen, who stressed on the need of regular medical checkup for the girls. The Doctor was felicitated with a Gamocha by the convener of the Cell. Dr. Nenei Hrangkhoh in her speech highlighted women's health issues. After that, check up started. All the boarders of the Girls Hostel came for the check up. The hostel boarders tell their problems to the Doctor. The doctor gave them medicines according to their health status. Some are advised to go for blood check up and ultra sound for further treatment. The students are given free iron tablet and other medicine. The programme ended with a vote of thanks given by Dr. Rakhi Moni Gogoi. The programme was attended by Haflong Govt. College Girl's Hostel Boarders and female faculty members of the Haflong Govt. College along with members of the Women's Cell. 5.

Evidence of success: All the girls' hostel boarders who were present at that time in the hostel came for the programme. The medical team came with all equipments. They distribute free iron tablets to all the boarders. The doctor talked about the girl's health, their different problems and how to take precautions for that. the boarders also asked different health related questions to the doctor. Later on many of them privately discussed their problems with doctor. 6. Problems encountered and resources required No major problem was faced by the medical team and the women's cell of the Haflong Govt. College who organized this programme. However, it was felt that a major health awareness programme for the college is required. BEST PRACTICE :2

1. TITLE OF THE PRACTICE: SWACHH BHARAT ABHIYAN BY NCC UNIT 2. Objectives of the practice: The main objective of the programme is to spread awareness about the importance of cleanliness among the people and auto drivers in particular who are at risk of unhygienic and sanitation borne diseases and also to inculcate behavioural changes to the literates and illiterates towards cleanliness. 3. The Context: As a part of the Swachh Bharat Abhiyan that was launched in 2014 the NCC Unit organised cleanliness drive programmes in several places. As a continued initiative the NCC Unit organised a cleanliness programme in Haflong Market Auto Stand on 26th October 2018 . The programme was conducted in Haflong Market auto stand after identifying the problem of the area with proper survey and observation of the cadets and the CTO in charge of NCC. 4. The Practice: The cleanliness drive programme started in the morning at 6:30 carrying posters prepared by the cadets. The cadets actively participated and also cleaned the roads leading towards the stands. Cleanliness was carried out around the vehicle shelter and auto stands in Haflong town market area where auto drivers were urged to keep their surroundings clean. The people enlightened about the need of hygienic environment the lack of proper awareness which impact their lives. The people were urged to segregate the garbage properly before disposal and maintain clean .The programme allowed specific challenges and opportunities to be addressed. 5. Evidence of the success: The cleanliness drive programme highlighted the issue of unhygienic condition of the area. It imparted awareness on the need of clean environment among the auto drivers and the people present. It convinced and ensured the cadets in continuous engagement of cleaning of the college also targeting certain villages, cleaning the public parks and conducting health camps. 6. Problems encountered and resources required: The programme encountered several problems like lack of awareness of the need of a hygienic compound, lack of waste bins with appropriate liners in the areas, lack of provision of segregation of the waste materials etc. The cadets visited all the auto stands after cleaning and urged them to keep the area clean. Resources required: Proper equipments for the Cleanliness programme, Effective Resource Person and Refreshments for learners.
